## THE LATEST CRAZE

The Westway Sports Centre, W10, transformed with a crazy golf pitch for the after party, was the hot spot for the launch of the Spring/Summer 2008 Adidas by Stella McCartney collection. The designer's family were out in force as were the usual fashion party crowd – Kate Moss, Courtney Love, Lily Cole, Mario Testino, Twiggy, Sam Taylor-Wood and her husband Jay Jopling. Ben Grimes and Rosie Huntington-Whitely both wore outfits by Stella McCartney. Cocktails were supplied by W11 brand, Snow Leopard, which gives 15 per cent of all profits wildlife charities working to save the snow leopard in Asia.
